worship

The Lost Paradise is the ideal setting for your church camp, whether it be a peaceful retreat, or an empowering affair.

With a local church set up on the grounds already, we have all the facilities you would require to run your next church getaway. Our main hall, able to hold 400 people, has a complete audio-visual system that is ready for church use. Whether it be a simple acoustic session with a guitar and passionate voices, or a full band ready to create an atmosphere of worship, just plug in and go. Indeed, we said a full band. We have a drum set and grand piano that you can use along with what ever instruments and extra mics you bring.

Our secondary hall with a capacity of 150 people comes with portable AV systems that include a channel mixer with 2 tops, and portable screens. With such mobility, you can also get creative. Want a rally on our floating gardens by the sea as the day fades? That we can do. Be prepared for spirit filled worship right here at the Lost Paradise.

experience

For more rowdy meetings, we have the facilities to accommodate such activities. With 2 adults pools and a basketball court on site, not to mention the beach we are on, we have all the space you would require for any activities.

Do not forget that you are guest of a boutique hotel, even if you are in 'camp'. Take time to appreciate the wonders of creation, whether it be the glorious sunrise that we face directly every morning or the intricacy of the hundreds of orchids that dot our gardens.

Our owner, Dr Chew, hopes that Lost Paradise be a place for inspiration, for an encounter and a deeper commitment. He desires that his resort be used as a blessing and for ministry. With the perfect mix of church specific facilities and a conducive beautiful environment, we believe that the Lost Paradise is the place for your church event. We want to facilitate whatever events you are to hold, in the hopes that you will leave recharged, empowered and blessed."

we want you to stay with us
